

LINTEC's Value Creation Process

From its establishment to the present, the LINTEC Group has built up a wide range of assets, including technologies, diverse human resources, and trust-based relationships with stakeholders. In accordance with the Company motto—Sincerity and Creativity—we are utilizing these assets to contribute to the resolution of issues faced by society and customers through the development, production, and sales of a variety of products. The resulting profits are returned to stakeholders and proactively invested in the future to create new value. Through this value creation process, the LINTEC Group aims to contribute to the realization of a sustainable society by striking a balance between sustainable growth and the development of society.
