

Reporting Policy

The LINTEC Group follows the company motto of "Sincerity and Creativity" when conducting its corporate activities. This web page describes our performance in the area of sustainability, mainly during fiscal 2023.

Guidelines Referenced

- Sustainability Reporting Standards of the Global Reporting Initiative (GRI)
- Environmental Reporting Guidelines (2012/2018) of the Ministry of the Environment of Japan
- Environmental Accounting Guidelines (2005) of the Ministry of the Environment of Japan
- ISO 26000 (Guidance on social responsibility)

Reporting Period

This report covers the period from April 1, 2023, to March 31, 2024 (fiscal 2023). It also includes some information up through June 30, 2024 concerning specific initiatives.

Environmental data for group companies outside Japan covers the period from January 1 to December 31, 2023.

Organizations Covered

The organizations covered by the sustainability site report are generally those of the LINTEC Group. A note is provided where this is not the case.

Note on the Fiscal Year of Consolidated Subsidiaries

The fiscal year of MACTAC AMERICAS, LLC, LINTEC (THAILAND) CO., LTD., and another 36 consolidated subsidiaries ends on December 31. As the difference between the fiscal year end of these 38 consolidated subsidiaries and the consolidated closing date is within three months, consolidated financial statements use each company's financial statements based on the fiscal year, and make necessary adjustments with regard to important transactions that occurred between the two accounting dates.

Verification of the Reliability of this Report

★ Performance indicators marked by an asterisk have been verified by a third party, SGS Japan Inc. As a result of third-party verification, no important issues that require correction were found.
